

## Tuscan Chicken with Spaghetti

Serves	Prep Time	Cooking	Total Time	Calories
4 people				335 kcal

## Stuff that's in it:

- 4 Portions Wholewheat Spaghetti (Cooked As Per Packet Instructions)
- 4 Chicken Breasts (If You Use Skin On Like Me, The Calories Will Be More, I Remove The Skin Before Eating)
  - 2 Cloves Garlic
  - 1 Tsp White Wine Vinegar
  - 200Ml Half Fat Creme Fraiche
  - 100G Italian Sun Dried Tomatoes In Olive Oil (Xxx)
    - 30G Parmesan Cheese
    - · Large Handful Baby Spinach
      - 60G Red Onion

## What you do:

Flatten your chicken breasts in between cling film using a mallet or a rolling pin.

Use the oil from the 100g sun dried tomatoes to fry the chicken, each side for around 7+ minutes each side ... it might be worth using a probe thermometer here, as chicken tends to be slightly different sizes, make sure each one is over 75°c all the way through, set aside.

Add the onion, garlic and sun dried tomatoes, gently fry for 2 minutes, add the vinegar, simmer for 1

minute, then add the creme fraiche spinach and Parmesan, heat through, add the chicken, bring to a bubble then serve.
